Students in our Teacher Education program include:

Teacher Candidates (beginning teachers), Teachers & Other Professionals, and other post secondary students excited about education.

Meet some of our exciting students!

Barbara Botter

Barbara Botter is a teacher candidate in our BEd Secondary - **Chef Education Concentration** Program. Barbara is a professionally-trained chef with over 20 years experience in the food and beverage industry. Teaching as a chef in Secondary schools is the next step in her very exciting career.

Christa DeClercq

Throughout Christa's life, she always found time for children. From babysitting and teaching gymnastics, to respite care and behavioural intervention for children with autism, her rewards were her time spent teaching and learning from children and youth. Deciding that teaching was what she wanted to do, Christa moved to Vancouver from Cumberland, BC to undertake her BEd Elementary (**FLAGS**) program.

I am having a fantastic, enriching and positive experience and I know that I have made the right decision. I feel so fortunate for the opportunity to be a part of the UBC BEd program and I am so inspired to be a teacher and make a difference.
